Natural Crystal Rock Salt

Natural and pure: White rock salt without any additives

Field of application

Formed in primeval oceans 200 million years ago, esco Natural Crystal Rock Salt is mined from these untouched natural deposits located in Northern Germany. This pure natural salt contains only natural minerals with no artificial additives and has a distinguished taste and crystalline structure. Due to its purity, esco Natural Crystal Rock Salt is suitable for organic products according to EC regulation 834/2007.

Product

esco Natural Crystal Rock Salt is a table and food-grade salt without any additives or anti-caking agents. The convenient 500 g pack is suitable for any kitchen. For industrial needs we offer 25 kg bags.
